

ATD03

Automatic Mechanical Condensate Drain

AUTOMATIC MECHANICAL CONDENSATE DRAIN

The ATD03 automatic mechanical condensate drain has been developed for fully automatic discharging of condensate or any other non-aggressive fluid from the compressed air system. The ATD03 is easy to install inside the filter housing. The ATD03 can be used in variety of applications. For applications not listed please contact us.

Technical Specifications

Operating Temperature Range: 35 – 149 degrees F

Operating Pressure: 0 – 232 PSIG

Weight: 1.41 ounces

Connection: 1/2" G

Dimensions

Height: 3.54"

Width: 1.51"

Suitable for Condensate Types: Condensate (air,water,oil)
